

HERRING RUN QUILTERS' GUILD

Volume 19 Issue 6

December 2007 Coordinator's Letter

Dear Herring Run Quilters,

This has been a full Herring Run weekend with our monthly meeting and Diane Miller's workshop on Saturday and an extended three hour board meeting on Sunday. In this time of diminished volunteer resources, I am continually astounded by how willing Herring Run quilters are to pitch in and help.

We are fortunate to have such a wonderful group of women to work beside. Where else can you find a group that feels as passionately about quilting as you do? Whatever your motivation for coming to Norwell on the first Saturday of the month (Show and Tell, workshops to inspire, lectures to inform...), we are glad to have you. As we head into our twentieth year as a guild and towards our tenth quilt show I invite you to think about the ways that Herring Run has enriched your life. We are hoping to expand the "Member's News Patchwork" section of the newsletter and may be asking you to share with others how the guild and quilting have been important to you.

We are also planning to try a new format for our monthly meetings. Largely in deference to our speakers, we would like to try having the lecture come before our business meeting. More about the new set-up will be discussed at the December meeting.

Keep working on all those unfinished projects. The quilt show will be here before we know it!

Best wishes to all from,

Penny
