LIGHT GREEN

Cut four 3 1/2" squares

Using the cream and green 4" squares make four half square triangles.

(To make a half square triangle place a cream and green square right sides together, draw a diagonal line on the cream square and sew 1/4" seam on both sides of the line. Cut apart and press seam allowance to the darker fabric. Then trim to measure 3 1/2" square)

Place squares in pattern shown and sew together.
