Using two cream and two red 3" squares make four half square triangles.

(To make a half square triangle place a cream and red square right sides together, draw a diagonal line on the cream square and sew 1/4" seam on both sides of the line. Cut apart and press seam allowance to the darker fabric. Then trim to measure 2 1/2" square)

Lay out all squares and rectangles as follows and stitch together, pressing seams in between each the section.
